

GORDON MACKENZIE'S WATERCOLOUR
WORKSHOP

TUSCANY IN 2010

Sept 10 (leave Sept 9) to Sept 24

EXPERIENCE ITALY FROM COASTLINE TO ANCIENT CITY TO RENAISSANCE BIRTHPLACE

Six days will be spent in the delightful Etruscan city of Volterra. The narrow cobble streets of this ancient Etruscan centre provides ample material for painting and sketching on site. Its' many shops and great restaurants are sure to fill out your days there. We will also spend 5 days in the delightful coastal towns of Cinque Terre. These five beautiful villages clinging to the rugged coastline are linked with a convenient railroad. The last three days will be in Florence where you can just be a tourist, visiting museums, art galleries, shopping and sipping cappuccinos in outdoor cafes. More information on all three sites will come later.

Note: The number of participants this year is limited to 16 people so make your response as soon as possible. Deadline FEB. 20
